PROFESSIONAL SUMMARY

Motivated AI-focused Full Stack Developer Intern with hands-on experience in Python, FastAPI, React, PostgreSQL, REST API development, JWT authentication, and Git-based collaboration. Currently pursuing an Online Bachelor of Computer Applications at the University of Mysore while building real-world software projects through an AI Full Stack Developer internship. Passionate about developing scalable AI-powered web applications, continuously learning modern technologies, and contributing to high-impact engineering teams.

TECHNICAL SKILLS

- **Programming:** Python, JavaScript, SQL
- **Frontend:** HTML5, CSS3, React
- **Backend:** FastAPI, REST APIs, JWT Authentication
- **Databases:** PostgreSQL, MongoDB, Supabase, Firebase
- **Version Control:** Git, GitHub, GitLab
- **Deployment:** Render, Railway, Netlify, Vercel, Neon
- **Tools:** VS Code, Antigravity IDE

PROFESSIONAL EXPERIENCE

AI Full Stack Developer Intern | THE BAAP COMPANY | Aug 2025 - Present

- Learning software engineering through structured industry-oriented training and real-world projects.
- Building backend web applications using Python, FastAPI, PostgreSQL, and REST APIs.
- Implementing secure authentication and authorization using JWT.
- Working with Git and GitLab for version control and collaborative development.
- Strengthening debugging, problem-solving, and backend architecture skills.

PROJECTS

Smart Society Management System (Team Project)

Collaborative full-stack web application for residential society management. Contributed to authentication, login & registration, user management, FastAPI backend APIs, PostgreSQL integration, React frontend components, JWT-based security, and GitLab team collaboration.

To-Do Web Application

Developed a task management application using FastAPI, PostgreSQL/Supabase, and REST APIs. Implemented CRUD operations, soft delete functionality, backend integration, and a clean project architecture.

EDUCATION

University of Mysore
Online Bachelor of Computer Applications (BCA)
2025 - Expected Graduation: 2028

Maharashtra State HSC Board - 47.67%

Maharashtra State SSC Board - 80.80%

CORE STRENGTHS

Problem Solving • Team Collaboration • Quick Learner • Time Management • Continuous Learning • Attention to Detail
